

Farm Service Agency, USDA

§ 760.301

(ii) A national payment rate for eligible livestock contract growers that is based on 75 percent of the relevant average income loss sustained by the contract grower, with respect to the dead livestock.

(i) Payments calculated in this section are subject to the adjustments and limits provided for in this part.

§ 760.210 Honeybee payment calculations.

(a) An eligible honeybee producer may receive payments for honeybee feed losses due to an eligible adverse weather or loss condition, as provided in § 760.203(g), based on 60 percent of the producer's actual cost for honeybee feed that was:

(1) Damaged or destroyed due to an eligible adverse weather or eligible loss condition and

(2) Intended as feed for an eligible honeybee colony, as provided in § 760.204(g);

(b) An eligible honeybee producer may receive payments for honeybee colony losses due to an eligible adverse weather or eligible loss condition, as provided in § 760.203(h), based on 60 percent of the average fair market value for the number of honeybee colonies that were damaged or destroyed due to an eligible adverse weather or eligible loss condition, as computed using nationwide prices unless some other price data is approved for use by the Deputy Administrator, for losses in excess of normal honeybee mortality, as determined by the Deputy Administrator.

(c) An eligible honeybee producer may receive payments for honeybee hive losses due to an eligible adverse weather or eligible loss condition, as provided in § 760.203(h), based on 60 percent of the average fair market value for the number of honeybee hives that were damaged or destroyed due to an eligible adverse weather or eligible loss condition, as computed using nationwide prices unless some other price data is approved for use by the Deputy Administrator.

(d) Payments calculated in this section are subject to the adjustments and limits provided for in this part.

§ 760.211 Farm-raised fish payment calculations.

(a) An eligible farm-raised fish producer may receive payments for fish feed losses due to an eligible adverse weather or eligible loss condition, as provided in § 760.203(g), based on 60 percent of the producer's actual replacement cost for the fish feed that was:

(1) Damaged or destroyed due to an eligible adverse weather or eligible loss condition and

(2) Intended as feed for the eligible farm-raised fish, as provided in § 760.204(h)(1).

(b) An eligible producer of farm-raised game or sport fish may receive payments for death losses of farm-raised fish due to an eligible adverse weather or eligible loss condition, as provided in § 760.203(i), based on 60 percent of the average fair market value of the game fish or sport fish that died as a direct result of an eligible adverse weather or eligible loss condition, as computed using nationwide prices unless some other price data is approved for use by the Deputy Administrator.

(c) Payments calculated in this section or elsewhere with respect to ELAP are subject to the adjustments and limits provided for in this part and are also subject to the payment limitations and average adjusted gross income limitations that are contained in subpart B.
